

Säg mig var du står

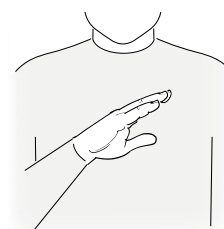

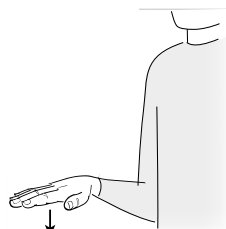

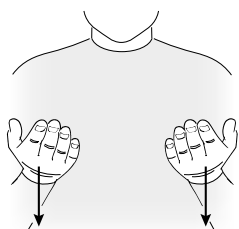

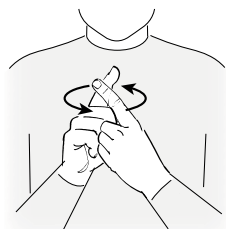

Vers 1: Det är dags att börja tänka om

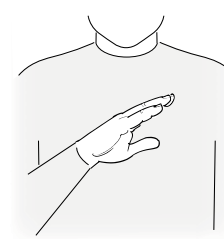

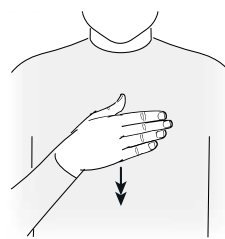

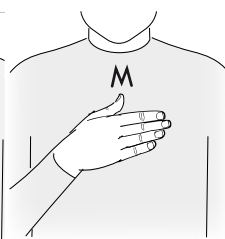

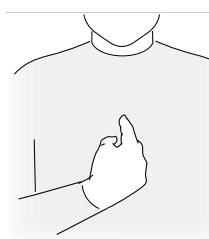

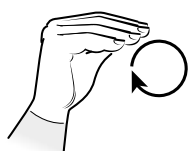

för tiden rinner ut den kanske snart tar slut

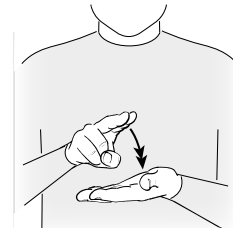

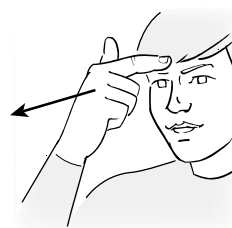

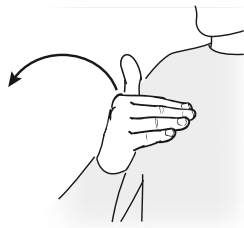

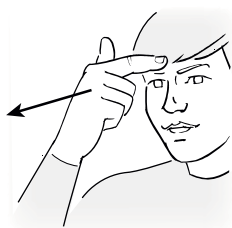

Åh, jag vet att det vi bygger upp nu

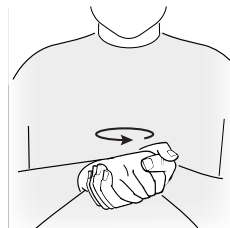

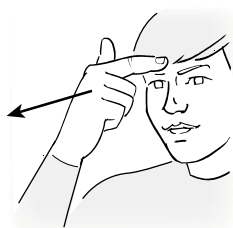

det blir en dag, det våra barn ska ha

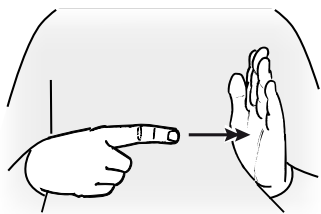

åh, åh, åh, jag vill så gärna ha

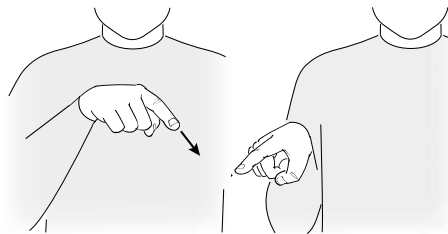

en tro på framtiden, en tro på sanningen

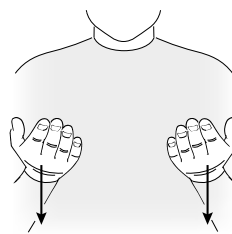

en tro på gemenskapen

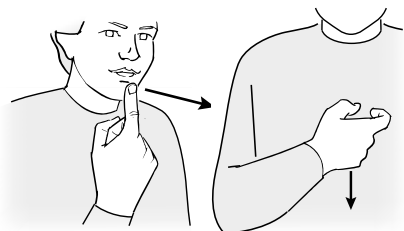

nå'n gång,

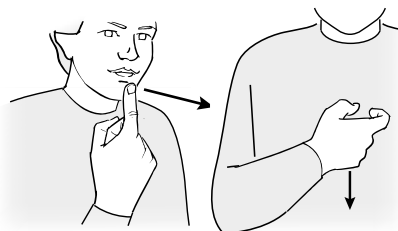

någonstans,

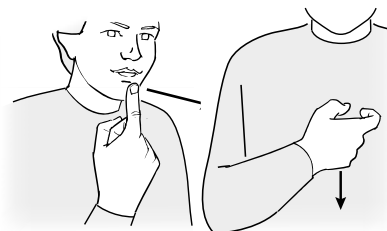

nå'n dag

Ref: säg mig,

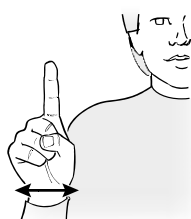

säg mig,

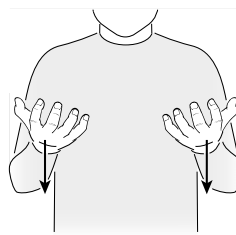

säg mig,

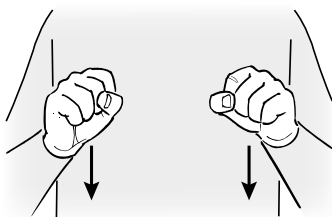

säg

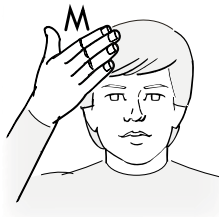

var

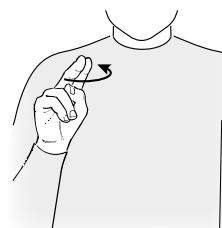

vi står

jag

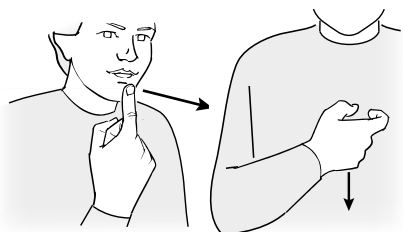

måste

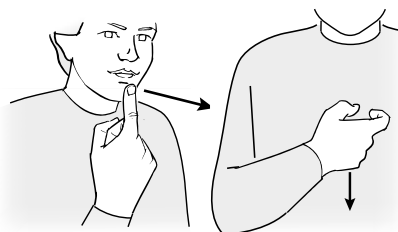

veta

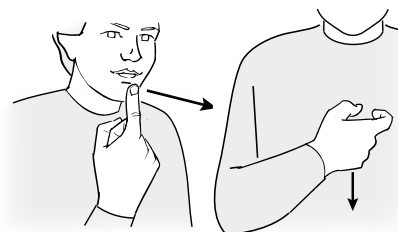

nu

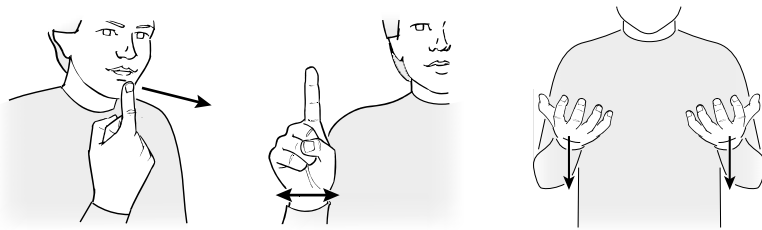

säg mig,

säg mig,

säg mig,

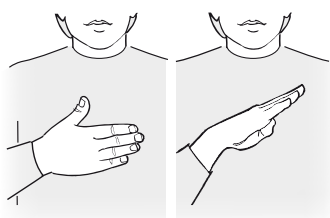

säg

var

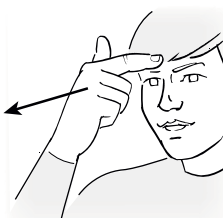

vi

står

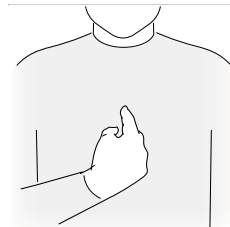

för jag vill

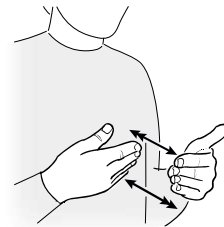

ha

en tro på

det jag

gör

Vers 1: Det är dags att börja tänka om...

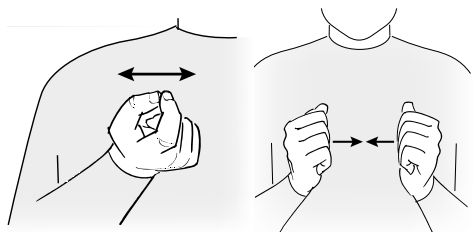

Ref: Sä g mig, sä g mig, sä g mig...

Ref: Sä g mig, sä g mig, sä g mig...

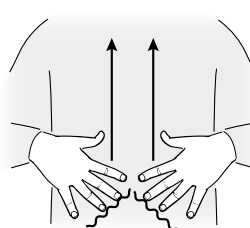

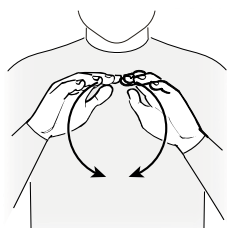

Se dig omkring

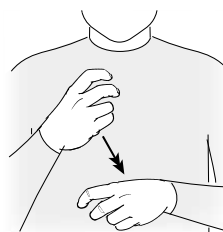

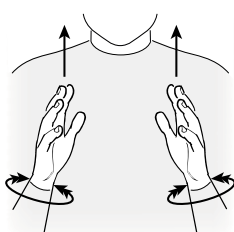

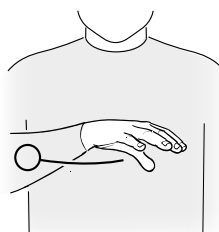

Var det det här vi drömde, drömde

Är det nå'nting, någonting vi glömde, glömde

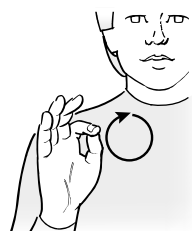

Har vi en planet, fylld av mänsklighet

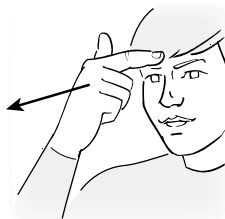

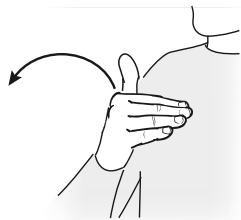

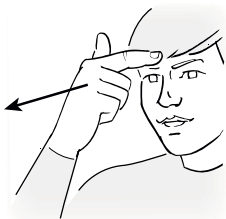

Hela mitt liv

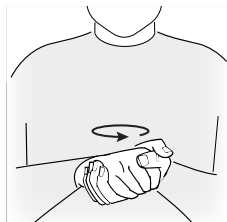

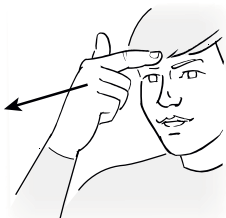

har jag försökt att fråga

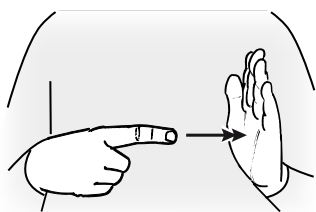

fråga och få ett svar

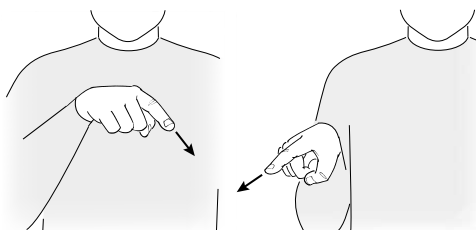

Tro på framtiden, en tro på sanningen

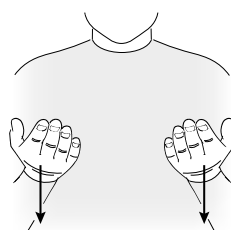

en tro på gemenskapen

nå'n gång,

någonstans,

nå'n dag

Ref: Säg mig, säg mig, säg mig.....
